**Notice of Public Hearings On Proposed 2024 Budget
and
On Exceeding the Property Tax Limit Imposed By C.R.S. § 29-1-306(4)**

NOTICE IS HEREBY GIVEN that the proposed budget for the Summit Fire & EMS Fire Protection District ("District") for fiscal year 2024 ("2024 Budget") has been submitted to the District's Board of Directors ("Board"). A copy of the proposed 2024 Budget is on file in the District's administrative office, which is located at 0035 County Shops Road, Frisco, CO 80443. The proposed 2024 Budget is available for public inspection between 8:00 am and 5:00 p.m., Monday through Friday. Any interested elector of the District may file or register an objection to the proposed 2024 Budget any time before the Board's final adoption of the 2024 Budget. The Board will hold a public hearing to consider final adoption of the 2024 Budget on November 21, 2023 at 9:00 a.m. at its administrative office.

NOTICE IS FURTHER GIVEN that, in the event of passage of ballot measure Proposition HH at the November 7, 2023 statewide election, the Board also will conduct a public hearing on the Board's intent to exceed the property tax limit that would otherwise apply pursuant to C.R.S. § 29-1-306(4). If the Board approves exceeding the property tax limit, it will impose the same property tax of 13.000 mills that the voters have previously authorized the District to impose, such mill levy to be adjusted for any changes in the method of calculating the assessed valuation of one or more property class. At the public hearing, any member of the public may provide oral testimony (*i.e.*, public comment) on the matter. The public hearing will be conducted immediately after the hearing on the 2024 Budget. Upon conclusion of the oral testimony, and any Board discussion, the Board will make a final decision on whether to exceed the property tax limit.
